BIRRERIA

This high energy space commands your attention the second you step foot into Birreria ITALI.CO. The long flowing carrara marble counters frame our incredible beer wall with almost 50 beer on tap for your enjoyment. High top tables combine with bar stools to fill the space providing ample seating for diners. Accommodating up to 100 guests for reception style events, our Birreria is ideal for corporate gatherings, networking events and informal affairs. (Downtown & St-Laurent locations).

ELEVATED LOUNGE

This semi-private elevated space provides the intimacy of a private area with a bustling lounge while overlooking the main dining area in the restaurant. Ideal for crowd perusing, the lounge is furnished with cocktail tables and vintage leather couches that can be re-arranged to whatever layout you desire. Comfortable conversation areas surround the space creating a relaxed atmosphere ideal for mingling and lounge-style dining. An elevated DJ booth can be added and private full service bar brings energy & practicality to the space. Perfect for groups of 40-60 guests (Downtown location only).

MAIN DINING

Ideal for intimate receptions or group dinners, the south side dining room provides a dedicated space without losing the energy & ambiance while in a completely private space. Enjoy direct access to the adjacent lounge and birreria, relax in our tufted leather booths and couches while taking in the scene. Great for large group dinners and provides one central area to be surrounded by all of your guests. Accommodates from 20 to 200 guests reception style (Downtown & St-Laurent locations).

SCALERO VIP

Picture yourself dining in the cellar of a 100 year old Italian birrificio. That was our vision for this room. As one of the most unique & private rooms in the city, the reclaimed wood accents and mood lighting surrounding the cellar provides an intimate, family-style dining atmosphere. Our 20 foot rustic-wood conference table provides great seating for up to 24 guests and is perfect for combining conference-like meeting facilities while enjoying the hospitality that our restaurant and bar offers. A separate sound system can be modified to meet guests volume level preferences while a 50" wall mounted TV can be fully customized for digital branding and presentation needs (St-Laurent location only).
